Mobile X-Ray Clinic Completes 4-Day Program Here

The visit of the Alberta Tuberculosis Association's Mobile X-Ray Unit in Didsbury ended on Tuesday, August 10. During the four days a total of 1,121 persons in the town and district accepted an X-Ray of the chest. This total, though representing a good cover of the area was about 12 per cent below the actual number of names received on the sign up survey.

The attendance fully justified the project and showed an increase of nearly 1,000 over the previous visit of the Mobile X-Ray Unit four years ago. This is a good measure of the growing health consciousness of the general public within this district.

Those who have been X-rayed are again reminded that if they receive NO report from the Alberta Tuberculosis Association within the next two weeks, the X-Ray shows no abnormality. No news in this instance is good news.

Should any person receive a report raising another X-Ray or further investigation, it is in their own interests to carry out all instructions given as soon as possible.

The Medical Officer of Health, Dr. Allen, would like to thank all committee members, the representatives of the various organizations in the district, and the ladies who assisted in the documentation, for their generous help in making this survey a success.

Milvain Speaks For Independents

The meeting held in the Lions hall on Monday night in the interests of Matthew Schmitt, Independent Candidate for the Didsbury constituency, was not so very well attended. However, as most political meetings in this campaign have been poorly attended this is no reflection on the candidate or the party. Mr. Milvain of Calgary was special speaker and outlined the platform of the Independent party and asked all who were dissatisfied with minority parties in Canada to support the Independent candidate, Mr. Matthew Schmitt, who also spoke briefly.

Mr. Milvain stressed Matthew Schmitt's position in the community where he is a member of the Beiseker Lions Club, has been president of the Beiseker Board of Trade for 30 years, is deputy reeve of Kneehill Municipal District and a municipal councillor for 28 years, and is president of the Kneehill Agricultural Society Board.

H. Lynch-Staunton was chairman of the meeting and a question period followed.

SHOWER FOR MR. AND MRS. GLEN HALLMAN

On Thursday evening, July 29, a large group of friends gathered at the Swain farm in honor of Mr. and Mrs. Glen Hallman who were married June 25 at Seattle, Wash.

The young people were engaged in outdoor games led by Lynn Hunsberger while the older people spent a pleasant evening visiting in the house. Refreshments were served on the lawn and a purse of money was presented to the couple by Rev. Archer. Glen very ably responded and after extending best wishes to Mr. and Mrs. Hallman the people dispersed to their homes.

Geo. Watson Sells Shoe Repair Shop

Mr. A. C. Adams of Royalties, Alberta, has purchased the shoe repair business from George Watson and he is now operating at the old stand in the T.E. Scott & Son store.

Mr. Watson was forced to retire from business due to ill health. He came from the old country to Didsbury in 1911 and has been in business at the old stand ever since, first in the old store, and then in the new building. He is one of the oldest business men in Didsbury, and has given steady, efficient service.

Mr. and Mrs. Watson will continue to reside in Didsbury.

Three Candidates To Contest Election In Didsbury Division

When nominations for candidates for the Electoral Division of Didsbury, in the Province of Alberta, closed on Saturday, August 7, at 2:30 p.m., Returning Officer T. N. Scott of Didsbury disclosed that three nominations were received, as follows: Raymond C. Bell, of the Village of Carstairs, Co-operative Commonwealth Federation.

Howard G. Hammell, of the Village of Carstairs, Social Credit.

Matthew Schmitt, of the Village of Beiseker, Independent.

When the polls open on Tuesday, Aug. 17, voters will therefore have the choice of three candidates, one of whom the majority of the people will elect to represent them in the next Provincial Legislature.

In Didsbury polling will take place in the new arena with entrances at the east end of the building. There will be two polls, from A to K and L to M and ballots are to be marked with the figure 1 for first choice of candidate, and the figures 2 and 3 for second and third choice of candidate.

The polls open at 9 a.m. and close at 6 p.m.

Didsbury voters are reminded that there are two polls in town, Didsbury East and Didsbury West. Two separate voters' lists have been prepared and if your name is not included on one of these you can have your name put on the list up to Saturday, August 14, at 4:30 p.m. Henry Erb is the enumerator.

Voters are also reminded that if their names are not on the list they are eligible to vote on Tuesday's election if they can comply with the residential regulations, are 19 years of age and British subjects. However they will have to be sworn in at the polls on Tuesday.

WESTERDALE NOTES

Mr. and Mrs. R. Jackson and daughter Marion motored to Calgary last Thursday. Accompanying them on the trip were Barbara Jackson and Patsy Bothers.

Mrs. Ted Eram of Rosedale, B.C., arrived unexpectedly last Thursday evening at the home of her sister-in-law, Mrs. H. Jackson, having travelled here with Mr. and Mrs. Wm. Brown, also of Rosedale.

Bob Jackson had the misfortune to break his right arm at the wrist last Wednesday when he was cranking his uncle George's tractor.

Mr. and Mrs. Homer Moore and three children of Hollywood, California are visiting at the home of the former's brother, Fred Moore.

Harmattan was eliminated in the semi-finals of the ball league last Sunday when they again lost to Waterside, the score being 8-0. Waterside failed to capture a playoff berth this year.

MRS. DUNDAS, MOTHER OF MRS. GILSON, DIED AT ALLINGHAM

Mrs. Jennie Dundas, of Allingham, died Sunday evening, August 8, at the Trochu hospital.

Born at Mount Forest, Ont., she moved with her husband and family to Montana in 1890 and from there to the Allingham district in 1903.

Surviving are three daughters, Mrs. Annie Park and Mrs. Florence Simpson of Allingham, and Mrs. Helen Gilson of Didsbury; four sons, James and Fred of Allingham; Hugh of Edmonton; Gordon of Calgary. Also surviving are a brother, Peter McEachern of Holstein, Ont.; and two sisters, Mrs. Annie Dundas of Calgary and Mrs. Maggie Stuart of Cranbrook, B.C. She was predeceased by her husband in 1916.

Funeral services will be held from the Three Hills United church on Wednesday, August 11, at 2:30 p.m. with Rev. Witherspoon officiating. Burial will be in the family plot at Mt. Davis cemetery in Three Hills.

Council Sets Date For Town Tax Sale

Mayor H. Lynch-Staunton presided and Councillors Reider, Bowman, Gaitness, Parsons, Kinnel and Gilson were present at the regular meeting of the Council of the Town of Didsbury held on Monday evening, August 2.

A by-law was passed declaring Wednesday, August 11 a civic holiday, and the by-law provides that all places of business in Town will be closed that day.

It was decided to hold a tax sale at the Town Office on October 18, 1948, at 2 p.m.

Several applications were received for the purchase of town lots for building purposes.

MRS. A. SHANNON IS HOST TO RUGBY W. L. MEMBERS

The August meeting of the Rugby Women's Institute was held at the home of Mrs. A. Shannon. There was a very small attendance. Why? Members must have suffered a lapse of memory.

It was decided to turn in the quilt on hand to the local Red Cross.

Mrs. Ingg gave a good report on Earn Women's Week held recently in Olds.

An auction sale and program is being planned for this fall in conjunction with the Rugby W.L. Girls' Club.

Mrs. Glen Bay read an interesting article on Polymyolitis, and for the "bit of fun" a short contest was held.

The September meeting will be held at the home of Mrs. Alfred Gowitz.

Girl Guides Camp At Robertson Farm

There is more activity going on at the Jack Robertson farm as we see tents, etc. dotting the landscape along the creek bank and we hear the Didsbury Guides are in camp there.

The district had a severe hail storm a couple of weeks ago and much of the crop is now being plowed under.

Kenneth Folkman and Kenneth Holmquist are home again after a week's holiday spent at Banff.

Mr. and Mrs. Chester Bennett and son Loren of Los Angeles spent last week visiting with the Herbert Goffin family. On Tuesday both families motored to Sundre and spent the day with Delores and Elaine Goffin. The Bennett family have been visiting Alberta every year for the past fifteen years and report that they have found our highways to have really taken a beating this year but those across the line in Montana are even worse.

Mr. and Mrs. John Bogner and sons returned from their holidays spent in B.C. We hear that Bogner's health is not too good and we extend to her our best wishes for a speedy recovery.

Mrs. Bill McDonald who has been ill for the past six weeks is steadily getting on her feet, but is still confined to hospital.

Mr. and Mrs. H. Goffin of Chillywack B.C. and Mr. and Mrs. Al Brise and sons of Vancouver arrived last week end to spend a couple of weeks visiting with relatives here.

WEDDINGS

CONWAY-COOK

A lovely pink and white archway, a green lawn and a variety of garden flowers made a pretty setting for a lawn wedding on July 17 at the home of Mr. and Mrs. John Cook, west of Didsbury, when Doris La Rue, eldest daughter of Mr. and Mrs. Cook, was united in marriage to James Harold Conway of Olds. Rev. William Barber of the Harman Church of the Nazarene officiated, and the bride was given in marriage by her father.

The bride was attired in a floor-length satin gown, the yoke of which was satin appliqued marquisette, inset with rhinestones. The long sleeves were lily-point style and her beautiful finger-tip veil was satin appliqued and held in place by a wreath of flowers and orange blossoms.

The bridesmaid, Ruth Cook, sister of the bride, was dressed in a lovely floor-length gown of pink nylon marquisette. The groom's tuxedo was of silk crepe and the groom's aunt, Mrs. P. Began of Olds, wore a brown crepe dress.

Following the ceremony a delicious cold luncheon was served out of doors, the waitresses being Mildred Luft, Alice Cook, Eleanor Luft, Jean Krebs and Rachael Steves.

Others helping with the lunch were Mrs. Florence Erhardt, Mrs. Jim Logan and Mr. and Mrs. Walter Cook.

For travelling the bride chose a lovely grey wool suit with white and navy accessories. With a merry send-off the happy couple left for a honeymoon to the mountains, including Banff and Jasper, after which they will take up residence on a farm west of Olds.

Mrs. Dave Janzen underwent another minor operation last Tuesday morning in the Didsbury hospital. JEAN KREBS LEADS THE DISCUSSION AT MEETING OF WALTHER LEAGUE JULY 27

A very interesting and lively discussion on the home, led by Miss Jean Krebs, formed the main theme of the Walther League meeting on Tuesday, July 27. It was shown that the home is the foundation of society. No community, no country, no civilization can ever rise higher than its individual home. History shows that when empires collapsed, the disintegration began in the individual homes and families. God guards the sanctity of the home in the Ten Commandments. In this connection various questions were also discussed.

Can an apartment be an ideal home? Does the local community have anything to do in influencing a home?

In the business session various committee reports were given. Following the business Rev. Fox showed pictures which the Leaguers had taken at the Sylvan Lake Camp and also at Portland convention.

The evening was brought to a close by all present eating heaping dishes of ice cream (five gallons served to about 45 people), doughnuts and cake.

Didsbury Dairy Milk Meets all Gov't Tests

Recently there have been vague rumors that the milk supplied in the Didsbury area is not altogether satisfactory. In order to test the validity of this remark the Roseland Health Unit conducted a series of tests on the milk that was being delivered to consumer's doorsteps. No prior warning of the test series was given. A pint bottle of milk was selected at random from the milk float as it made the tour of delivery round the town. The milk was tested for its taste, butterfat content, sediment or visible dirt, and the methylene blue test. The latter, a test for determining the bacterial content and keeping condition of the milk. Every sample of milk tested adequately satisfied the requirements of the regulations under the Public Health Act respecting fluid milk.

Didsbury is fortunate in that the milk supplied is pasteurized, thus ensuring a safer milk for consumer and meets all requirements of a very satisfactory milk supply.

The public is reminded that milk should not sit on the doorstep for any length of time after delivery. Sunlight on the milk promotes natural bacterial growth that leads to early souring. Dust, dirt and animals have access to milk bottles if left lying on the steps. Milk should be taken inside as soon after delivery as possible and stored in the ice box or in a cool, dark place.

Milk once pasteurized does not need further heat treatment.

Consumers should wipe around the rim of every milk bottle before emptying the contents into a jug.

Letters To The Editor

The Editor, Didsbury Pioneer,
Dear Sir: In your editorial of the issue of May 21st you spoke of the cost of the proposed water system which, according to some people, is more than they can afford.

Well, that is too bad. They seem able to afford anything else. When they want a new car they get it, but it seems something so desperately needed as a water and sewage system they cannot afford it.

The lack of a sewage system is a crime. If the people of this town would save their liquor and tobacco money they could pay for a water and sewage system in a few years.

Liquor and tobacco are not essential to human happiness, but rather a hindrance.

If there is no other way to finance water and sewage, cut out the use of liquor and tobacco and you will be able to pay for this in a few years.

NEW CROP REGULATIONS

The Wheat Board has announced that no delivery quotas will be established on rye and flax in the crop year 1948-49 which commenced on August 1st. Deliveries of rye and flax may be made at any Alberta point without entry in delivery permit books.

Delivery quotas on wheat, oats

and barley will be left open after July 31st until new crop deliveries and shipments reach such a volume as may make necessary the establishment of local delivery quotas for one or more of these grains. However, such local quotas, when established, will be as liberal as possible.

Unless written permission has been received from the Wheat Board deliveries of wheat, oats and barley must be made at the delivery point designated in the permit book.

Gaelic Memorial Church, Red Deer, was beautifully decorated with pink and white peonies on Friday, July 9. The occasion was the marriage of Georgina Leah Frances, daughter of Mr. and Mrs. George Brownell of Kneehill Valley, to Mr. William Henry Huss, son of Mr. and Mrs. William Huss of Red Deer.

Rev. J. Gardiner, pastor of the church, read the marriage lines.

The bride, who was given in marriage by her father, was charming in a white satin wedding gown styled with sweetheart neckline, long lily point sleeves, fitted bodice and bouffant skirt. Tiny white satin bows held her fingertip veil in place and she carried a shower bouquet of pink roses. Her only ornament was a string of pearls, the gift of the groom.

Miss Melba Schaefer of Innisfail was bridesmaid and wore for the

occasion a floor-length gown of pale pink nylon net over tulle, featuring a dainty cut away bodice, sweetheart neckline and tiny cape sleeves. She carried a bouquet of carnations.

Mrs. Brownell, mother of the bride, wore a grey crepe ensemble with black and white accessories and corsage of pink carnations.

Mrs. Huss, mother of the groom, wore printed silk and a corsage of white carnations.

Following a reception at the Buffalo Hotel, Mr. and Mrs. Huss left by motor for Banff and other mountain resorts where they will spend their honeymoon. For travelling the bride chose a smartly tailored suit in pearl grey with matching hat accented with bluish pink and black accessories.

Upon their return Mr. and Mrs. Huss will make their home on the groom's farm near Red Deer.

Miss Brownell was Home Economics teacher at Didsbury last term.
